## COMPLETE SONAR FLOAT COVER & PAYLOAD STATION

### & PAYLOAD STATION

#### HIGH RESOLUTION SONAR

Provides high resolution bottom imagery for locating drowning victims, submerged vehicles and sunken boats.

#### SIDE SCAN SONAR

**MAX Mode:** Maximizes sonar resolution through thermoclines and other water column interference

**CLEAR MODE:** Allows for adjusting the bottom TVG without amplifying water column interference

**3 COLOR PALETTES:** 3 color palettes provide even more flexibility on the water to deal with overcast or full-sun conditions.
